Member News & Reports

Should our Meetings Date be Changed?

Our meetings are usually held on the first Saturday of the month. This causes problems for the Fourth of July, Labor Day and sometimes Easter. The question was posed at our last meeting about if we should change the date to the second or third Saturday of the month. What do you think???

The next couple of meetings, we will open the floor to discuss the members desires as to the Saturday we have our meetings on. Make sure to attend and voice your opinion. After discussion are closed, we will make a decision and let everyone know.
