

The Beacon took some really good aerial photos of Forest Yoder, Gil Pataky, and Gary Aman (With passenger Bob May) flying in their planes. Planes came and went during the day, and the evening brought a few rides given by Gary Amen, Mike Baker, and Don James.

The food was great, and it was a very smoothly run fly-in. Mike Baker and Bob May did a wonderful job with the airport.

Everyone had a great time.

Barber Airport Fun Day

My two boys enjoying the day (PC)

I attended my first fly-in of the season. My boys and I had a good time with good food, airplanes, and a young man playing the bagpipes.

No Report from Don on this trip, but he looks happy, as do the others in attendance. And why not! Just look at that sky begging for a visit!

Mayfield Airport Fly-In & Drive-In

Pretty as a picture (oh, it is...) (DJ)

The wind isn't even blowing. Why are the planes on the ground?!?!? (DJ)

About 20 Aircraft flew into Mayfield Airport for the picnic. Many of our NCLF members flew in, while others drove in.

The Akron Beacon Journal was there to do a story on Ultralights and Light Sport Aircraft in the area. Look for a story in a future newspaper and on the Beacon Journal web site.
