Bob Essell went down to North Carolina

At the last meeting, Bob was telling everyone about his trip down to North Carolina, where he delivered Jonathan's Quick to its new owner. It's good to see it go to someone who can get quite a few great years of aviation out of it yet.

News Letter Converts Back

The cost of producing the newsletter has made it necessary to convert back to the tri-fold format. I will continue to research ways of cutting the cost of printing. Should anyone have any ideas, please let me know.

Discussion of Annual Picnic at the July meeting

The Jonathan Gamble Memorial Picnic will again be held at the beautiful Yoder Airport in Louisville, Ohio. This will take the place of our monthly meeting on August 2nd, 2008, and will begin at 3:00 with burgers and hot dogs being served about 4:00. At the July meeting, we will be going over all the particulars for getting the picnic put together.

For those that can't make it to the meeting, but want to help beyond bring a dish to share, you can get in touch with our President and Vice-President via their contact information on the front of the newsletter.

Barber Airfield in the News

The "Wings and Wheels Fly-In / Drive-In" was June 7th and got some press in the Alliance's website. It gave some good publicity to the airport and to EAA Chapter 82. Go to "www.the-review.com/news/article/3909131?page=0" and read about the activities and don't forget to check out the video.

Bob May's Fly-in had a Great Turnout.

The weather was threatening, but turned out to be a great day for food, conversation and aviation. Storms were showing their faces but never really amounted to much at the airport.

There were plenty of blue shirts showing the group's pride. Of which, we have a new offering...

Hats Now Available with the Club Logo

We now have hats with the club's logo on them and are selling them for \$10. Stop by our meeting and see about getting yours.
