It Picnic Time—Do You Have Time?

Mike Baker, the manager of Mayfield Airport, is asking for anyone who can help get the field in shape for the picnic to contact him at 330-414-5272.

He is looking for help on Friday, August 5th, to get the mowing done and get the yard cleaned up for the picnic the next day.

He is also looking for anyone who can help on Saturday, August 6th, to clean the hanger where we eat and set up tables, chairs, and grills. Set up to start at 11:00.

Anyone with time to volunteer would be appreciated. Mike always makes sure things go well and helping him out would help take some of the pressure off of him.

Plan to eat about 4:00 pm on Saturday. Everyone is asked to bring a side or desert if possible. The club will provide Hamburgers, Hot Dogs, buns, plates, cups, table service and pop.

There are a few club members that keep their planes at the field and there are usually others that fly in as well to share in the friendship that is such a big part of our group. There will be plenty of aircraft to see and lots of airplane tales being told.

Club Merchandise Available at the Picnic

The inventory of club clothing will be available at the picnic as well. T-shirts, jackets, and hats will be available for purchase from the club. Show your support of the club and wear our logo whenever you attend a club event.
