Update!!!—Club Meeting is at Ryan's

Well, we just heard that Big T's is going out of business. It's really tough to run a business in this economy. Don James was able to secure us a meeting location at Ryan's Grill & Bakery on Arlington Rd in Akron, just off of 77. This is where we met before going to the MAPS Museum in January.

See the website for a map, (bottom of the home page)

Lots of fly-In's Going On! - Get Them While the Gettings Good

Don James, our VP and fly-out coordinator has been working overtime the last couple of weeks trying to keep up with all the notices. Seems like I get an e-mail every couple of days from him and sometimes a couple a day.

Anyone who has lived around Northern Ohio for any period of time can see the writing on the wall—Winter Is On It's Way!

Temps are starting to fall, and we are still getting rain that other parts of the country are praying for.

With all of this, Mother Nature is starting to get out her brushes and painting the trees with the vibrant colors of Autumn.

People start to pay attention when they travel past forested areas, or are boating on lakes for those last, few, precious times. They have no idea what it can look like from the air in a light aircraft, flying just a few hundred feet over the tree tops.

Make sure that you take the opportunity to experience the beauty of our state during this special time of year.

Carroll County Airport getting Improvements

www.CantonRep.com reported that the airport is to be getting \$637,000 in improvements to airport safety and storm water runoff.

Only Two More Meetings in 2011

The year is almost at an end. Start thinking about our Winter Excursion and where you may want to go.

Don't forget that November is Elections. We still desperately need a Secretary. This position is in charge of recording the minutes of the meeting and the numbers of the people in attendance. There is not much else to it. Please consider running if you like to attend the meetings and help out.
