### Only Two Meetings Left in 2012

Cooler weather is upon us and the trees are starting to wear their fall dresses. With the horns sounding the end of summer, we "slow and low" pilots get to enjoy the blaze of color that

mother nature presents to those who take the time to look. Make sure you take the time to look.

The number of meetings remaining in the year are down to two. Elections are scheduled for the November meeting. November is also one of the best attended meetings as everyone attends to make sure they know what is happening for next year.

And speaking of Next Year, we will be moving our meeting date from the First Saturday of the Month to the Second Saturday of the month. We still plan to meet at 6:00 PM.

Which now brings up another topic of where we will meet.

When we starting meeting at TJ Ambers, we agreed that we would open up conversations for the membership to discuss the location. Over the next couple of meetings, we will entertain any opinions of the location and take any suggestions of alternative meeting locations. Please attend the meetings to be heard.

### October Activities and Beyond

**ANY SATURDAY** @ Sunset Strip, Marlboro, Ohio. ( Near Rt 619 just east of Hartville )

EAA 147 At Sunset Strip is offering complimentary donuts, coffee, and other breakfast foods on Saturday mornings for anyone wanting to fly in. They are trying to encourage traffic and activity for the airport. Anyone looking for a destination on Saturday mornings please keep sunset in mind. Typically there is someone there from 7:30 AM to around 11:00AM

OCTOBER 4 , THURSDAY:

"There will be an informal meeting with two officials from the FAA on Thursday October 4th at 6:30 PM in the EAA building at Sunset Strip airport. The intent is for an unofficial question and answer session with representatives from our local FSDO. This has proven in past years to be an very informative evening and gives us the opportunity to get to know the peoepole we may have to deal with some day. Please contact Mike Baker or Bryan Eves if you know you are attending or just show up, we'd like to get an idea of how many are coming so we can have enough refreshments so RSVP if possible.
