Nick Stanich sends greetings from his summer

Home in Colorado noting: *It seems that all the UL flying is done mainly during the early morning, or late afternoon hours. I guess that the thermal*

Hurried preparation to ensure cookout success.

activity seems to be too uncomfortable during the day. I checked out the airport at Longmont (35

miles north of Denver), which seems to have the most ULs where I counted about 18. Greeley also has some ULs, roughly a dozen or so. I believe that there is another UL field east of

I Got Next!

Denver at a place called Watkins, which I visited several years ago. There must have been a couple of dozen ULs based there. I read your newsletter with great interest every month, and find that the camaraderie of your group is the envy of many other groups. Keep Flying & Best Regards, Nick

A lofty perch from which to enjoy the Cookout!

Jonathan Gamble and Don James are having too much fun to report on the July trip to Kitty Hawk, so look forward to a report when the weather begins to chill the flying fever. Speaking of

A NCLF gathering at Dart, NY.

flying fever, NCLF members are spanning the globe in search of adventure. Since the August 7 cookout, members have ventured to Dart, Davies, Delaware, Carrollton, and Sebring, just to name a few, and there are many more adventures taking place that are going unreported. As always, your

Eventually, all adventurers have to pay the piper!

editorial staff is hungry for news. For example, Don Cruse, "What's up with your Challenger rebuild?" Steve Ricchiuti, "Have you had your new Challenger up in the air?" Andy Cross, "How goes your building effort?" All, "Where are those tips and tricks that you have learned that you need to share with the club?" Guys, "Where are those, 'I'll Never Do That Again!' notes?" OK, You All get the point. Right?

The Tri-City restaurant is open. Wow! Almost looks like a NCLF fly-in!!!

Keep enjoying the nice weather out there guys. Will you be at the Melon Fest? (Snodes Farm Field ~ 1000' Turf 18/36 ~ N40'39.70 W81'06.68)

Thanks All for the Photos.
